Dechen la' Lodge nestled among established shrubs (M212-2008)**

Wet walking and wading, welcome to the Mackenzie Plain (M7.8-2008)

Heart L. (M8.2-2008)

Twentyfive Mile Ck. (M21.6-2008)

**Rain means many, many crossings
of Dodo Ck. (M33.5-2008)**

Caribou on the Salt Flats (M40-2008)

**Wanigan immersed in mud
from upstream retrogressive
thaw slump (M42.4-2008)**

Location of Little Keele crossing and bath time (M50-2008)

Mobile charging station (M72.5-2008)

M81-2008: Camp 80 ahead

A weathered wooden post stands vertically on a pile of large, reddish-brown rocks. The post has the alphanumeric string 'M90.6-2008' carved into its surface. The background shows a vast, mountainous landscape with a river valley and dense forests under an overcast sky.
